Application for Community Project Assistance

The Heart of the North Builders Association (HNBA) is a not-for-profit trade association and, as such, is not generally in a position to financially support other charities. From time to time, HNBA will work with its members to assist with local community projects by way of coordinating labor and/or materials. The HNBA Board of Directors makes the determination as to which projects receive the association's involvement. When completing this application, please be as specific as possible so that the board members have all of the information necessary for a decision.

Please send the completed application to HNBA, PO Box 6, Rice Lake WI 54868 or fax it to 715-736-4622.

Name of requesting organization: _____

Address of Project: _____

Main Contact Person: _____ Phone: (____) _____
