## **BUHROW'S HAULING**

Member: **Brian Buhrow**

Brian Buhrow is the owner & operator of Buhrow's Hauling, a debris removal & disposal business. Brian can offer a truck on-site for tear-downs, roof removal, etc., and will also come in and clean up construction and demolition sites, hauling away and disposing of waste and scraps.

Expanding his business and taking care of his customers is Brian's goal for Buhrow's Hauling. He takes pride in the attention to detail he can provide his customers, and feels that is what has helped him grow his business over the past 15 years.

When asked why he joined HNBA, Brian said "Joining the HNBA is like joining a team of professionals. I would like to continue and expand my business with the HNBA."

Brian and his wife/business partner, Karen, have 3 sons and 1 daughter, ages 10-18. He enjoys fishing, hunting, camping and maintaining his run-around car, a 1962 VW Bug.

**BRIAN'S WORK PHILOSOPHY:  
DO QUALITY WORK FOR A FAIR PRICE.**
