## **CLINT DOEGE CONSTRUCTION**

Member: **Clint Doege**

Past HNBA President Clint Doege offers building and general contracting services, as well as crane service, skid steer/backhoe work. He specializes in log home construction.

Clint's goal for his business is to stay profitable. He joined HNBA because he believes in what the local, state and national associations do for the housing industry, and for the networking opportunities. He is active on many HNBA committees and is also a Wisconsin Builder Association Regional VP, is on the WBA Board of Directors and is a voting member of the Building Industry Council (BIC).

Clint and his wife, Sandy, will celebrate their 40th anniversary in Dec. 08. They have 3 grown children and they spend many a weekend watching their young grandchildren. Clint enjoys collector cars and motorcycle riding. When not working, he is active with the Chetek Community Club. He is also a retired member of the Chetek Volunteer Fire Department.

**CLINT'S WORK PHILOSOPHY:  
YOU HAVE TO WORK HARD TO  
MAKE IT IN TODAY'S WORLD.**
