Member: **Don Katterhagen**

Don Katterhagen of Katty Kunstruction provides all phases of new-home construction and remodeling as well as light commercial work. He has one year of Wood Technics education as well as 30 years of on-the-job experience. His goal with Katty Kunstruction is to build high-quality homes with his own hands. He is a Wisconsin Energy Star qualified builder.

As a charter member, Don joined HNBA looking to gain working relationships with other companies in the related work place.

Don and his wife, Margo, have a total of 3 children. When he's not working, Don enjoys bowhunting, fishing, prospecting, agate hunting, cooking on an open fire, and building bows and bent-willow chairs. He's the VP of a local prospecting/adventure club. He is currently serving his second term as a director of HNBA, has served on many committees, and has chaired the Parade of Homes committee twice.
